MyChart Terms and Conditions for Granting/Receiving Proxy Access:

- I understand that MyChart is intended as a secure online source of my personal health information. If I share my MyChart ID and password with another person, that person may be able to view health information about me, or my child's health information and health information about someone who has authorized me as a MyChart proxy.
- I understand it is my responsibility to select a confidential password, to maintain my password in a secure manner and to change my password if I believe it may have been compromised in any way.
- I understand that MyChart contains limited medical information from my medical record and that MyChart does not include the complete contents of the medical record. I understand that I can request a paper copy of a patient's medical record and that I may be charged a fee for such copies.
- I understand my activities within MyChart may be tracked by computer audit and entries I make may become part of the medical record.
- I understand that access to MyChart is provided as a convenience to patients, and that ProHealth Care has the right to revoke access to MyChart at any time for any reason.
- I understand that use of MyChart is voluntary and that I am not required to use MyChart to authorize another person (proxy) to access MyChart account.
- I understand that it is my responsibility to ensure that my e-mail address is current at all times, and that if my e-mail is not current I will not receive important messages from MyChart.
